Proprietary Wireless Internet Services

Eastern Oregon Technology has expanded its wireless services in an effort to provide customers with more options for Internet access. With better coverage beyond Wright's Point, and the addition of a tower near Crane, we are now able to provide access to more customers in outlying areas of Harney County. We will continue to develop new rebroadcast sites as we are able. Call 573-4821 to schedule a free signal test.

PRICE LIST

(MONTHLY COSTS)

Monthly Charge: \$50.00

Up to 2Mbps downlink/ 384 kbps
uplink

Set-up and installation information

- * Client Premise Equipment (radio and antenna) will remain the property of Eastern Oregon Technology.
 - * One year service contract is required.
 - * Installation cost is \$200. Routers are not included in the equipment package and must be purchased separately. EOT can configure the router to work with Internet access at the time of installation.
 - * EOT will require customer credit card on file, which will be charged if EOT-owned equipment is not returned or service is canceled prior to one year.
 - * Microwaves, cordless & other wireless equipment may cause signal interference.
 - * Prices and equipment may change without notice.
